Jane Citizen

Senior Front-end Engineer · React and accessibility

Auckland, New Zealand · jane@example.com · +64 21 000 0000

SUMMARY

Front-end engineer with eight years of React, focused on accessible, well-tested interfaces.

EXPERIENCE

Senior Front-end Engineer, Acme Lending

2021-03 – Present

- Led the React and TypeScript rebuild of the loan portal.
- Made accessibility part of every build by adding automated axe checks to the CI pipeline.
- Mentored 2 graduate engineers.
- Worked with the design team on a shared Storybook component library.

Front-end Engineer, Globex Insurance

2017 – 2021

- Wrote Jest unit tests for the quote calculator.
- Built the online claims form in React.
